

Five Star Magic

The original unique formula of bio-available magnesium and carefully selected herbs work with added key ingredients for a settled gut and calm outlook.

Feeding Instructions Feed Magic for a calm, relaxed horse and a cool, focused performance. Otherwise, where low magnesium may be indicated due to unnatural diet, regular travel or soil deficiency.

	g per day	scoops per day
Horses & Ponies		
Loading rate (7-10 days)	50-75	2-3
Maintenance	25-50	1-2

Introduce gradually for fussy feeders.

High stress situations - if necessary individuals may benefit from topping up with an Instant Magic Syringe.

Maintenance levels may be adjusted to suit the individual and are not necessarily related to bodyweight.

One 50ml scoop provides approx. 25g.

A 1.5kg pot fed at 25g per day will last approximately 60 days.

Store in a cool dry place. Replace lid after use.

A complementary feed for equine use only.
