

Crib Stop

An unpleasant tasting spray to discourage your horse from unwanted biting and chewing.

Ingredients: Contains Denatonium benzoate in a non-toxic formula that washes off easily. **Usage:** Shake well before every use. Spray liberally on to stable doors, fences etc as required. Reapply after heavy rain. For external use only. Store in a dry place.

Crib Stop is suitable for use wherever unwanted biting or chewing on hard surfaces occurs. Apply liberally to stable doors, fences etc.
