**Mud Gard
 Barrier Cream**

Protect your horse's skin when exposed to wet and mud with this rich, nourishing barrier cream

Directions for Use:

Apply to dry legs prior to turnout. Use hands to smooth a layer of cream over the legs and heels. Follow the direction of the hair to create a water-repellent barrier over the skin. If stabling overnight, wash and dry legs on return from the field.

Active Ingredients:

Sulphur, MSM, Tea Tree Oil and Rosemary Oil.

Contains:

Limotrene, Linalool.

For animal use only. For external use only. Replace lid after use. Store in a cool dry place. NAF recommend a small patch test prior to initial use.
