WARMING WASH

Wash sweat and winter
grime right out of your
horse's hair with this
no rinse body wash
containing Ginger
and Clary Sage to warm
and cleanse your horse
after exercise on cold
winter days.

It's good to know there's
no soap, detergents
or thickening agents
hiding in the formula
so it's really gentle and
very easy to use, just
a couple of capfuls in
a bucket of warm water
and away you go.

Sweat and dirt are
lifted with ease
and the subtle
warming fragrance
is both soothing
and relaxing.

The result is
a happy horse who
smells good too.
