

Five Star Magic Liquid

A unique formula of safe bio-available magnesium, blended with carefully selected herbs to maintain a calm relaxed horse.

Feeding Instructions Feed Magic for a calm, relaxed horse and a cool, focused performance. Otherwise, where low magnesium may be indicated due to unnatural diet, regular travel or soil deficiency.

| Horses & Ponies | ml per day |
|--------------------------|---------------|
| Loading rate (3-10 days) | 50 |
| Maintenance | 25 |

Introduce gradually for fussy feeders.

Maintenance levels may be adjusted to suit the individual, and are not necessarily related to bodyweight.

A 1 L bottle fed at 25 ml per day will last approximately 40 days.

Ingredients

Composition

Water, Magnesium chloride, Glycerine.

Additives (per litre)

Sensory

| | |
|----------------|--------|
